

➤ **Name of the Department: Computer Engineering Department**

➤ **Name of the Student club : “Code Villa”**

➤ **Objectives of forming the Club:**

1. **Improving, Building, Understanding, Inferring LOGIC (COMMON SENSE)** of Programming through many Programming tools like Flowcharts, Algorithms, Fuzzy Logic, Cryptic Algorithms, Trace Charts – All with a view towards building societal requirements in particular and Nation Building in general.
2. Keeping pace with and keeping ourselves inept with State of the art Technologies in the field of Computer Engineering like Machine Learning, Artificial Intelligence and Wireless Sensor Networks etc.
3. The Code Villa Club's motto is to **Create-Build-Innovate**.
4. Code Villa Club aims to establish a **Coding Culture** on campus, reaching every student passionate about coding.
5. To provide a **Forum for the Open Discussion** of all matters of public interest that includes everything related to computer technology.

➤ **Activities of the club:**

1. Programming Tests
2. Debugging Sessions
3. Building logic
4. Participation in Hackathons /Start-ups / Quizzes
5. Arriving to some conclusions on solutions to cryptic programs and fuzzy logic
6. Sharing innovative ideas (Cloud Computing, IOT, Machine Learning, AI etc.)
7. Paper Presentations
8. Participation in Technical Events
9. Inclination towards Patent Filing
10. Going for Sponsored projects that are beneficial to the society in particular

➤ **How one can become its member:**

Enthusiastic, curious and budding computational thinkers can contact the Staff Coordinator.
