

Training and Placement Cell

Vision: To enhance creative strength in technical and analytical professionals to achieve empowerment of society.

Mission: To inculcate technical and professional competencies along with determination, imagination, hope faith and passion for the profession.

Efforts: The Training and Placement Cell functions under the supervision of a full time placement officer and operates all around the year to arrange training and campus interviews by various reputed companies. It plays crucial role in counseling and guiding the students for their successful placement. Training and Placement Cell functions with the main objective of shaping the engineering students to be readily deployable in industry

The Mission of Training and Placement Cell is to achieve maximum placement for students through dedication, attitude and complete involvement. The T&P cell holds the objective of acquainting the students of the Institute with Industries. The Placement cell organizes and extends services towards collaborative placement activities. The cell conducts training activities for the final year students mainly focusing on Career planning, Personality Development Industry- Institute Interaction, off site training, Industrial visits, Campus placements, Entrepreneurship Development. Continuous interaction of the cell with the industries also helps in achieving the above goals & motivating students to contribute in this direction. This cell also helps students to improve their command on English language & Communication skill.

Objectives:

- ✦ The main objective of our placement cell is to make our students as entrepreneur before finishing their course.
- ✦ To place maximum number of students in on campus placements.
- ✦ We support our students to attend off-campus drives at other institute and also we keep updating with off campus invitations.
- ✦ We are providing on campus training which is essential for students to be placed in multinational company.
- ✦ We are providing company specific training in technical and aptitude.
- ✦ Deserving candidates can have the opportunity to start their career with their preferred company.
- ✦ To maintain the quality standards of jobs offered.
- ✦ Our backend team will visit company for background verification before the candidates gets join.
- ✦ Our whole team work according to the defined processes to achieve the common objective.

Motive:

- ✦ To assist students to develop their career interest through individual counselling.
- ✦ To update students and companies data base after every 6 months.
- ✦ Accumulating information about job opening and related advertisements and conveying it to students.

- ✦ Finding the requirements and needs of the companies to assist them to select the right candidate.
- ✦ Coordinating with companies to know their requirements and selection process.
- ✦ To act as catalyst between students, alumni and companies.

- ✦ To assist students for industrial training right from 1st year engineering.
- ✦ Organizing Industrial Visit/Expert talks/Workshops/Seminars/ Pre-Placement talk for students.
- ✦ Arranging HR Meet and TDP (TPO-Development Programs to upgrade the industry knowledge.

- ✦ To arrange on campus placement activities.
- ✦ To coordinate off campus and pool campus placement activities.
- ✦ To assist students in obtaining placements in multinational companies.

Career Guidance:

- ✚ Supervising students to set their career.
- ✚ Guiding about competitive exams and industrial career opportunities.

Message from

Training and Placement

Officer

I, Prof. S.V. Patil Head Training Placement, established vigorous connectivity between students and corporate to offer training and placement opportunities to build their career before graduation.

Our Institute is NAAC accredited and is imparting education to Under Graduate & Post Graduate students in Engineering, approved by AICTE and Affiliated by DBATU. It is one of the premier institutes in Solapur Region and has established link with more industries to offer placement opportunities with new corporates such as Wipro, Cognizant, Capgemini, Infosys, TCS, Bharat wire Ropes, Systematics Groups, Mahindra CIE, Genpact, Syntel, Reliance Media Group, Amdocs, Shriram Fortune, Shriram Finance, Jaro Education, Paramatrix Technologies, Medicalwale.com, Epic Research Pvt,Ltd., Polyrub Standard Pvt.Ltd., Crazeone Software Solutions, Pune, Webtech Developers Pvt. Ltd., Raja Software Lab, Pune, DemandFarm, Pune, Global Space Mumbai, Silver Link Technologies, Mumbai, Qspiders, Gubbi Construction, Mumbai Many More.

We have a distinct Training and Placement Office (Cell), with one full time Training and Placement Officer (TPO), organizes campus drives and helps students to build their leadership quality, positive attitude and communication skills.

Placement cell continuously work hard in providing training to build their technical and aptitude skills to make AGPIT students industry ready.

Training and Placement Cell, always put efforts in conducting industrial visit, in-plant training, Internship, industry expert lectures, seminars, workshops to prepare them for placement drive.

Many of our budding engineers are working, so hard and are contributing in growth of industry. Value added courses, aptitude training and company specific training will encourage our students to become expert in basics as well as specialized arena.

AGPIT students are good at technical skills and they are more competent in soft skills too. Our college has provided excellent environment to our students for developing their personality.

We are assertive that our young students are asset to your organization through their technical and professional capabilities would meet talent for innovation.

Aim of our placement cell is to attract and identify the best individual, who is suitable for industrial organization and to be an emerging successful recruitment partner.

*With Best complements from Training and Placement Cell,
A.G.P.I.T., Solapur, we feel great pleasure and honour to
invite corporate and industries to our campus to conduct the
recruitment drives.*
