

Report on First Year Engineering Induction Program 2023-24

First year Engineering is stepping stone of Engineering curriculum. This should be very firm. The first year of a student's college experience sets the tone for the future. Taking into consideration this fact Shanti Education Society's A.G. Patil Institute of Technology, Solapur organizes First Year Engineering Orientation Program every year. The major objective of the program is to make the parents and students aware of the academic aspects of the course, the rules and regulations of the Institute and ensuring parental participation in monitoring the performance and progress of the students.

From year 2018-19 AICTE proposed a 3-week long induction program for the UG students entering the institution, right at the start. Normal classes start only after the induction program is over. Its purpose is to make the students feel comfortable in their new environment, open them up, set a healthy daily routine, create bonding in the batch as well as between faculty and students, develop awareness, sensitivity and understanding of the self, people around them, society at large, and nature.

The time during the Induction Program is also used to rectify some critical lacunas, for example, English background, for those students who have deficiency in it.

The following are the activities under the induction program in which the student are fully engaged throughout the day for the entire duration of the program.

Two Faculties from every Institute were sent three days and seven days FDP conducted by AICTE Delhi.

Induction Program started from 7/08/2023 to 19/08/2023 two week induction program was conducted for students as per schedule. Subject teachers introduced their respective subjects, scheme and labs as per timetable. They highlighted applications of their subjects and importance of Practicals. Students were introduced to various departments with campus ride. One expert lecture was conducted by Vivekanand Kendra expetee. Health check was conducted.

UHV sessions, Creative Practices, Literary Activities were conducted as per schedule.

Induction Program started was concluded with - Principal's Address, invitations were sent to parents through phone calls and an Invitation Letter through Whatsapp.

Principal's Address was held on Friday 25/08/2023

The program was started with National Anthem followed by lighting of the lamp by respected Campus Director Dr. M.A. Chougule Principal Dr. V.V.Potdar, FE Coordinator Prof Pantoji R.M. and all Head of Departments.

Prof. Mane S.P offered warm welcome to newly admitted students and parents. She introduced about agenda of the program. She briefly commented on the academics of the previous year she introduced first three toppers of academic year 2022 - 23. They were felicitated by Dignitaries. Toppers Expressed their views about Institute.

Prof. Pantoji R.M. FE COORDINATOR, briefed the students about the rules and regulations of the institute and DBATU, Lonere and requested the students and parents to understand and abide by the institutional rules and norms. She also added the benefits of the affiliation with DBATU Lonere. She gave necessary information about the academic design of the first year B.E Course and the University and Institute rules and regulations regarding academic matters.

Principal Dr.V.V.Potdar while delivering a speech on the occasion introduced in brief about the Institute, view of honorable Chairman, Shri A.G.Patil. He stressed on the point that motto of AGPIT is not only to produce technically sound engineers but a good humans also. AGPIT works hard on overall development of the students. He also introduced First year teaching faculty. He told about the graduate attributes that should be developed in students. He also stressed the importance of dedication to one's profession and the need to have proper planning before taking up and implementing any project. He also mentioned the constant support of Management. He introduced Entrepreneur Development Cell of the Institute, and he added that students to choose Entrepreneurship as career.

Parents expressed their views and suggestions. Program was concluded by short video presentations of Institute achievements and different activities conducted throughout the year, Students were demonstrated about the online submission of 'anti ragging' form by UGC

INVITATION

To,
Shri Sharanappa Dongaraje
Vivekananda kanta Karyakarta,
Solapur
Dear Sir,

A.G. Patil Institute of Technology, Solapur is running four under-graduate programs (UG) (Mechanical, Civil, Computer Science and E&TC) We are committed to impart high quality education for achieving professional excellence. We also focus on overall development of the students in all aspects of academic, co-curricular and extra-curricular activities. From Academic Year 2017-18 we are affiliated to DBATU - State Level Technological University. In the same year our Institute is accredited by NAAC, Bangaluru. Now we are moving for NBA accreditation.

We have excellent academic record as we have university rankers. Along with academics our students are active in sports. We have national level players. Our students are also leading in extra-curricular activities.

For overall development of the students in all aspects we conduct Induction Program for First Year Engineering students as per AICTE guidelines. We invite eminent personality so that students can interact with them. We would be most honored if you can be our Resource Person to address our students on "Universal Human Values" on Saturday 19/08/2023 at 2:00pm

We look forward to hear your positive confirmation of our invitation. Thanking you!

Thanking You

Sir, I wish to convey our sincere thanks to your team of Doctors and support staff for creating awareness on health issues and making us conscious of the scientific approach of Ayurveda through various medical tests and whole body check-up based analysis and treatment.

I appreciate your participant in such an event which has proved very much beneficial by cleaning doubts regarding health as well as diagnosis of illness. If any, and medical advice on same.

I trust such medical camp will go a long way in promoting Ayurveda on modern lines for long and healthy life.

Yours faithfully
