-: ABOUT A.Comp.E.S. :-

A.C.E.S. Be the change, be the ACE

:-

Getting things done is not always what is most important. There is value in allowing others to learn, even if the task is not accomplished as quickly, efficiently or effectively. Give the students something to do, not something to learn; and the doing is of such a nature as to demand thinking, learning naturally results.

ACES is formed with the primary purpose of exposing our students to the various aspects of the profession with both students and faculty as its members. The Association of Computer Engineering Students has responsible for conducting a lecture series distinguished practitioners & faculty in order to educate our students and update their knowledge and skills. The Association has also responsible for conducting various competitions for the students to provide them a platform to present their skills.

This is only possible when we have a common platform for all the Computer Engineering students ACES Association of Computer Engineering Students...
