Sub: Invitation as an Expert Speaker for AGPIT-IIC

Dear Sir,

MHRD's Innovation Cell and AICTE have promoted Innovation and Startup Policy for all students and faculty across country. As per the guidelines of MoE a framework for Higher Education Institutions to join the National Innovation and Startup Policy for students and faculty of Higher Education Institutions (HEIs) has been formed. This will enable the institutes to actively engage students, faculties and staff in innovation and entrepreneurship related activities. This framework will also facilitate Ministry of Human Resource Development in bringing uniformity across HEIs in terms of Intellectual Property ownership management, technology licensing and Institutional Startup policy, thus enabling creation of a robust innovation and Start up Ecosystem across all HEIs.

As a step towards implementing the guidelines in their true spirit AGPIT\_IIC has organizing a workshop on "How to plan for Start-up and legal and Ethical Steps" with offline as the mode of conduct on 15/05/2023 at 10.00 am. which nurture leadership potential of student innovators and entrepreneurs and new approaches for innovation.

We take the pleasure in inviting you for the same and render your precious guidance for the same.

With regards
