## **Department of Gymkhana**

Sports help to control diabetes, manage weight, enhance blood circulation, and manage levels of stress. Through sports, there is a good balance of physical and mental growth, which helps tone muscles and makes bones strong. Sports inculcate in students the importance of a healthy lifestyle. Sports engineers are responsible in designing and building new equipment based on athlete's demands, besides measuring the performance of the athlete, the equipment itself, as well as their interaction.

AGPIT, Solapur is affiliated to DBATU, Lonere University. Competition is organized at institute, zonal and university level.
