

			
Name	Prof. Vivek Meghraj Bhogade		
Qualification	B.E. Civil, M.E. Structure		
Experience	11 years		
Subjects taught	Computer Programming and Numerical Methods Surveying Concrete Technology Transportation Engineering Design of Concrete Structure Quantity Survey and Valuation RCC Structural Design and Drawings		
Areas of interest	Behavior of Structure in various types of load, Analysis and Design of Structure, transportation Engineering, Finite Element Analysis		
Member of professional bodies	Life member of Indian Society of Technical Education		
Research Area	Finite Element Analysis, Foundation, Winkler's Model		
Research Publications	04		
Paper presentations	02		
Workshops/Seminars / FDPs attended	08		
Email Id	bhogade.vm@agpit.edu.in
