

	
Name	Miss. Mudgundi Rajani
Qualification	M.Tech(Civil- Environmental and Water Resources Engineering), BE (Civil)
Experience	06 Years
Subjects taught	Environmental Engineering-I Environmental Engineering-II Water Resources Engineering-I Water Resources Engineering-II Industrial Wastewater Treatment Hydraulics-II
Areas of interest	Hydrological modeling Optimization of reservoir operations Wastewater Treatment Biomethanation
Member of professional bodies	Associate member of The Institution of Engineers India (IEI) Life member of Indian Society of Technical Education(ISTE)
Research Area	Optimization of reservoir operations Hydrological modeling
Research Publications	04
Paper presentations	
Workshops/Seminars Attended	12
FDPs attended	4

Workshops coordinated	
Participation as Resource person in workshops	
Email Id	rajani.mudgundi@agpit.edu.in
