Report on Tree Plantation Drive Organized by NSS

On 22/07/2023, the National Service Scheme (NSS) organized a Tree Plantation Drive to foster environmental awareness and contribute to a greener campus. The event aimed to instill a sense of responsibility towards nature among students and encourage community participation.

Date: 22/07/2023

Venue: AGPIT campus

Participants: 24

The primary objectives of the tree plantation drive were to:

- Promote environmental sustainability.
- Increase green cover in the campus area.
- Create awareness about the importance of trees in combating climate change.
- Encourage students to take active roles in environmental conservation.

Participants were divided into groups to facilitate the planting process, and they were provided with saplings of native tree species, including Amla, Banyan, Sagwan, etc. Each group was assigned specific areas around the campus where they planted the saplings.

The tree plantation drive organized by NSS was a significant step towards creating a sustainable environment. The initiative not only increased the green cover on campus but also educated participants on the importance of trees in our ecosystem. NSS looks forward to organizing more events like this to promote environmental stewardship among students and the community.

REPORT
Swachh Bharat Abhiyan
National Service Scheme (NSS)

The **NSS Unit** successfully organized a **Swachh Bharat Abhiyan Cleanliness Drive** on 30/09/2023. The event was aimed at promoting cleanliness, hygiene, and environmental awareness among students and the local community, in line with the national mission of **Swachh Bharat (Clean India)**.

Event Details:

- **Date:** 30/09/2023
- **Venue:** AGPIT campus
- **Number of Participants:** 50

Activities Conducted:

1. **Campus Cleanliness Drive:**
Volunteers were divided into groups to clean different parts of the college campus, including classrooms, corridors, playgrounds, and the garden area. Emphasis was placed on proper waste segregation (wet and dry waste).
2. **Tree Plantation:**
As part of the drive, several saplings were planted across the campus to enhance green cover and promote environmental sustainability.
3. **Community Cleanliness Outreach:**
A group of volunteers extended the cleanliness drive to the nearby locality. They engaged with residents, encouraging them to maintain cleanliness and follow proper waste disposal methods.
4. **Awareness Campaign on Hygiene and Sanitation:**
Posters and banners were displayed to spread awareness about the importance of hygiene and sanitation. Volunteers conducted brief sessions on personal hygiene, waste segregation, and eco-friendly practices.

Outcome:

- The cleanliness drive was highly successful, with a total of 50 students and staff actively participating.
- A significant amount of waste was collected and properly disposed of through recycling and composting efforts.
- The tree plantation initiative was well-received, and students have pledged to maintain the saplings.
- The community outreach helped raise awareness about cleanliness and hygiene practices among the local population.

The **Swachh Bharat Abhiyan Cleanliness Drive** organized by the NSS unit was a resounding success. It not only contributed to a cleaner and greener campus but also fostered a sense of responsibility towards environmental conservation. The NSS unit plans to organize similar drives in the future to sustain the momentum of the cleanliness initiative.

National Service Scheme (NSS) National Youth Day Celebration

Date: 12/01/2024

Time: 10:00 AM to 1:00 PM

Venue: College Auditorium

National Youth Day is celebrated every year on January 12th to commemorate the birth anniversary of Swami Vivekananda, a great spiritual leader and youth icon of India. This day, recognized as a tribute to the power of youth in nation-building, is observed nationwide. On this occasion, the National Service Scheme (NSS) unit organized a series of activities aimed at inspiring the youth, promoting leadership skills, and fostering a sense of responsibility and community service.

The main objective of the event was to inspire and motivate students to embrace the ideals of Swami Vivekananda, particularly focusing on the importance of youth in the development of the nation. It also aimed to encourage participation in community service and foster teamwork and leadership among the participants.

Outcomes:

- Enhanced awareness among students about the life and teachings of Swami Vivekananda.
- Increased participation in community service and social initiatives.
- Strengthened the spirit of teamwork and leadership among the youth.
- Positive feedback from participants regarding the workshop and activities.

The event was a step forward in inspiring young minds to embrace responsibility and work towards building a better society.

Report on Bird Nest Making Workshop Organized by NSS

The National Service Scheme (NSS) unit of [Institution Name] successfully organized a **Bird Nest Making Workshop** on 28/03/2024 at Samarth Hall. The workshop aimed to promote environmental conservation and provide a practical way to support local bird populations by creating safe, eco-friendly nests.

Date: 28/03/2024

Venue: Samarth Hall

The main objective of the workshop was to raise awareness among students about the importance of preserving biodiversity and to provide hands-on experience in making bird nests using natural, biodegradable materials.

The event saw an enthusiastic turnout, with over 85 students actively participating. NSS volunteers and faculty members also contributed to the smooth organization of the event.

Participants were provided with all the necessary materials, including twigs, leaves, and other biodegradable items. Each participant successfully crafted a bird nest, which would later be placed in suitable locations around the campus and nearby parks.

- Participants gained practical knowledge about the importance of bird conservation.
- The workshop fostered a sense of responsibility towards the environment.
- It highlighted the impact of small, individual actions in contributing to the greater good of wildlife preservation.

The Bird Nest Making Workshop was a resounding success. It not only provided the students with practical skills but also nurtured a sense of environmental stewardship. The NSS unit is looking forward to organizing more such events to continue engaging students in meaningful activities that benefit both the community and the environment.

Career Guidance Program for 12th Grade Students National Service Scheme (NSS)

The **NSS Unit** of AGPIT successfully organized a **Career Guidance Program** for 12th-grade students on 03/05/2024 as part of its outreach initiative. The program was aimed at helping students to make informed decisions regarding their future academic and career choices.

Event Details:

- **Date:** 03/05/2024
- **Number of Participants:** 150

Key Activities:

1. **Career Options Presentation:**

Experts gave a detailed overview of career options available in various fields, including Science, Commerce, Humanities, Engineering, Medicine, Law, and Vocational Courses. Students were introduced to emerging careers in sectors like data science, AI, digital marketing, and more.

2. **Panel Discussion with Career Experts:**

A panel of career counselors and industry professionals discussed real-life experiences, the challenges in different career paths, and how to align one's passion with a profession. The speakers also provided insight into professional degrees and certifications required for certain careers.

3. **Guidance on Entrance Exams and Scholarships:**

Information about various entrance exams (e.g., NEET, JEE, CLAT, etc.) was shared, along with tips on how to prepare for them. Students were also made aware of national and state-level scholarship programs that could ease the financial burden of higher education.

4. **Q&A Session:**

Students were encouraged to ask questions about their career concerns. The counselors provided personalized guidance based on individual aspirations and academic interests.

Outcome:

- **Participation:** The program saw active participation. Students engaged in discussions and were eager to explore the career options presented.
- **Impact:** The students received detailed knowledge on various career opportunities, scholarships, and entrance examinations, helping them plan their future more effectively. Many students expressed interest in receiving further career counseling after the event.
- **Feedback:** Feedback from students and teachers was overwhelmingly positive. They appreciated the practical insights provided by the career experts, and many students felt more confident about making informed decisions.

The **Career Guidance Program** conducted by the NSS Unit was a tremendous success. It provided invaluable information to 12th-grade students at a critical time in their academic journey. The NSS Unit plans to continue similar outreach programs to empower students and help them build successful futures.

REPORT

Seed Ball Preparation Workshop National Service Scheme (NSS)

The NSS Unit of AGPIT organized a **Seed Ball Preparation Workshop** on 10/05/2024, aimed at promoting environmental conservation and supporting reforestation efforts. The workshop encouraged students and staff to actively participate in preparing and dispersing seed balls to increase green cover in surrounding areas.

Event Details:

- **Date:** 10/05/2024
- **Time:** 03:00PM onwards
- **Number of Participants:** 25

Key Activities:

1. **Introduction to Seed Ball Concept:**

The workshop began with a brief presentation on the significance of seed balls and their role in environmental conservation. The participants learned about how seed balls help in reforestation, especially in areas that are difficult to access.

2. **Hands-on Seed Ball Preparation:**

Participants were divided into groups, and each group was provided with materials such as seeds, soil, and compost. Under the guidance of the NSS volunteers, the participants prepared hundreds of seed balls. The seeds chosen were of native plants and trees, which are well-suited to the local environment.

3. **Awareness on Environmental Conservation:**

The event also included discussions on climate change, deforestation, and the importance of afforestation. Participants were encouraged to take small steps toward environmental conservation in their daily lives.

4. **Seed Ball Dispersal Plan:**

After the preparation, plans were discussed for the dispersal of seed balls in areas that require reforestation. The NSS unit also encouraged participants to take some seed balls to their neighborhoods for further planting.

Outcome:

- **Participation:** The workshop witnessed enthusiastic participation from [Insert Number] students and staff members, who successfully prepared [Insert Number] seed balls during the event.
- **Environmental Impact:** The seed balls will contribute to local reforestation efforts and help increase green cover in barren areas.
- **Learning Experience:** Participants gained hands-on experience in environmental conservation techniques and developed a greater understanding of sustainable practices.

The **Seed Ball Preparation Workshop** organized by the NSS Unit was a successful and impactful event. It not only contributed to environmental conservation but also raised awareness among participants about their responsibility towards the environment. The NSS unit plans to organize similar events in the future to keep the momentum going for a sustainable and green future.
